The Corpus Christi Beer Festival is BACK! And you're Invited!

After a 2 year hiatus we're excited to bring the Corpus Christi Beer Festival Back! Once again the festival will be on the sprawling bayside grounds of the Corpus Christi Art Center, located in the center of Downtown Corpus Christi!

Since 2017 the festival has experienced tremendous growth. Once, featuring only Corpus Christi local breweries, the festival now attracts breweries from all over the Lone Star State.

Attendance has also grown with 2020 ticket sales in excess of 1500!

Not only will attendees be able to sample the best beers from around the state, they'll also enjoy a local market, food from the best food trucks in Corpus, and, a full lineup of local musicians and beer related seminars on the main stage!

We're extending this invitation to you to partner with us in providing a memorable experience for festival attendees and the City of Corpus Christi. The Corpus Christi Beer Festival is a great opportunity to showcase your craft and hard work! Not to mention it's just going to be a good damn time!

Proceeds benefit the Art Center of Corpus Christi, a 501c3 non-profit corporation, founded in 1972. EIN 74-1716003. It has earned the Platinum Transparency lever from Guidestar. Donations are tax deductible as allowed by law.
Thank you for taking the time to review our sponsorship program.
